ORDER GRANTING RELIEF FROM PREHEARING EXCHANGE

I am in receipt of Complainant's Motion for Cancellation of Prehearing Exchange dated December 1, 1988. Since settlement appears imminent, the parties will not be expected to make the prehearing exchange as directed by my letter of April 20, 1988 and subsequent Order of September 29, 1988. Relief from making the prehearing exchange is granted contingent upon a prompt settlement of this matter.

If the Consent Agreement and Final Order have not been fully executed by January 8, 1989, Complainant is directed to file a report on the status of settlement negotiations on that date and, monthly thereafter, until final disposition of this matter. Upon receipt of such status reports, the undersigned will reevaluate the status of the case and determine whether this matter should be set down for a hearing.
